China Exchange

BROOKLINE HIGH SCHOOL - GAO XIN NO 1 HIGH SCHOOL

2006-2007

Brookline is into its eighth year of cultural and educational exchange with its sister city of Xi'an, China. Strictly speaking, the exchange program is centered in the high schools – BHS and the Xi'an's Gao Xin No. 1 High School.

Each fall semester, from around September 1 until the end of January eight students (all tenth graders) and one teacher arrive from China to live and learn in Brookline. Nine homes take in the members of the visiting Gao Xin group. The experience of hosting is alternatively hilarious and worrisome; certainly unforgettable and invaluable for all involved.

In February, around the Chinese New Year, both groups travel to China. Our own BHS students start their adventure in Xi'an. Students are immersed in the language, culture, forging new friendships and widening horizons. Every morning they participate in regular classes. In the afternoon they follow a schedule in Modern Chinese History, Language, Literature and Chinese arts and crafts with our own teacher from Brookline. The four+ months culminate in a trip the group takes together to the region of their choice in China.

The program's network of students, teachers, hosts and supporters has grown at a remarkable pace. When a student with family enters this network, they can count on broad support and can delight in being part of a deeply moving history between two school, two cities, two countries!

Dear Brookline High Class of 2007,
It seems like only yesterday that you arrived here as young and not so mature 9th graders. Today, you are adults, intellectually and socially ready to take on the world! You have been easy! You worked hard; you were good to each other and to us; and you were fun! Go out and become exemplary citizens and leaders; and don't forget us!

With Respect,
Bob Weintraub

To the graduating class of 2007:
It is said that knowledge is power. Power without intelligence can be a dangerous thing. Your teachers have worked hard to provide you with a world-class education. It is now your responsibility to apply that education intelligently and make the world a better place than you found it.

To every one of the oh-sevens (shaken, not stirred): Congratulations!

To Jenny: We always knew you could do it (we've been rooting for you)

Love, Mom, Dad, Molly

If you leap awake in the mirror of a bad dream

And for a fraction of a second you can't remember who you are

Just open your window and follow your memory upstream

To the meadow in the mountain where we counted every falling star

We're gonna watch you shine... gonna watch you grow... gonna paint a sign so you'll always know

As long as one and one is two

"How I Got My Last Name" (age 9)

Once upon a time there was a rich baron called Lane. Lord Lane had three sons, Edward, Marcus and Lewis. Lord Lane was old, but he had been a very heroic and vigorous warrior in his younger years.

Now Lord Lane was getting on in years and he needed to find an heir to inherit his estate and properties. He often thought about this problem.

One day as Lord Lane was hunting in the forest, he suddenly thought of who his heir should be. He had been considering his oldest son Edward, but he wanted to have his other sons included. So Lord lane set up some funds and trusts. He would leave Edward 10,000,000 pound in bonds; 5,000,000 in pounds in cash and an estate in southern France. To Marcus he would leave 15,000,000 pounds in cash and his title and position of chairman and owner of the Bank of London. And to Lewis he would leave 15,000,000 pounds in bonds, all his cattle, horses, and his estate outside of Canterbury.

And so to the village people, Edward, Marcus and Lewis became known as Lane's heirs. Over time, it has been said many times that Lord Lane's descendants have become known as Lanier.

To the yearbook staff,
The time and energy we have spent working on the yearbook is unbelievable. None of us knew what we were getting ourselves into when we volunteered to create this book. We have spent countless saturday's and x-blocks calling people, laying out pages, taking pictures and eating. We have come a long way from that day in September when we had our first meeting. Since then we have all become close friends and have worked together to create the best yearbook yet. Despite our disagreements and disputes, we united as a whole and put together something that we are extremly proud of. It has been a successful year and it has been a fun year. Thank you for everything!

P.S. Thank you also to Bertuccis, The Soup Factory, Restaurant 108, and Dunkin' Donuts -- you guys have filled out stomachs for months.

Thank you to everyone on the staff and faculty who contributed and helped us with the yearbook. Your hard work is truly appreciated. We would like to give extra thanks and recognition to the following people:
.....Thank you to Judy Doyle for helping us with the sports rosters.
.....Thank you to Amy Clark for taking so many pictures for us.
.....Thank you to Mary Langdon for allowing us to come in and out of your office with print-outs.
.....Thank you to Kelli McDermott for printing out multiple versions of the senior list and for telling us when our take-out was waiting in the lobby.
.....Thank you to Karen King for all of your help when we were freaking out about our slow computers. We couldn't of done it without your technological help.

Finally, a very special THANK YOU! to Tara Anderson and Christine Hodges who helped us throughout the year. They were there always and especially at the " critical moments " . Thanks again Tara .... lunch is on us @ R- 108 !!! (anytime)

Thank you to the weblab for allowing us to use your facilities.

Dear Mushroom Cut,

What is there to say? We have had so many ups and downs this past year but we never would have made this yearbook as great as it is without you. Over the past few months, you have put in countless hours and spent time listening to us vent (maybe a little too much). You have supported all of our ideas and helped us make them happen. Putting the yearbook together was worth all of the drama and hectic moments. You have been a great advisor, but more than that, you have been a great friend. Thank you for caring for us and thank you for caring about our yearbook. Any murivian club would be more than lucky to have you as an advisor. You're the best Ms. Kennedy!

From, the yearbook club

Thank you to the entire class of 2007. Congratulations! We did it!
